CATERING

The food you serve at your wedding can play a vital role to the whole day and we want you to be able to offer a menu that reflects you as a couple.

This is why we don't have any set menus in place, instead we give you the freedom to choose a caterer of your choice to suit your individual needs.

BRIDAL ROOM

Within the venue we have our bridal room featuring an incredible salon styled mirrored wall, an extra-long vanity table with plenty of plug sockets making it the perfect place for bridal preparations

You'll also have access to your private dressing room throughout the wedding day. It's your private place to freshen up or change into something more comfortable for dancing the night away!

ACCOMMODATION

When you book your wedding at Roodlea Barn, you have the option to book our modern country style accommodation available for 10 people.

The five bedroom house is just a stones throw away from the venue and has recently been refurbished and can be booked for a minimum of two nights.
